Our Mission

EveryDay Gourmet Entrees exists to help you take the ***E.D.G.E.*** off of meal planning.

Who We Are

We started small, but with a big idea in mind: to provide restaurant-quality, gourmet food delivery services to our neighbors. We save you time and money, and make meal planning more pleasurable.

Our Signature Cuts products are absolutely delicious, and come with our mom-and-pop style food delivery service, where each customer's needs are kept at heart.

Our Signature Cuts meat and seafood line is humanely processed from local farms and fisheries to ensure highest quality. With every purchase from our local suppliers, we give back to our local community.

We value our customers and guarantee our food for taste and tenderness, and against freezer burn for one year.
